

# Wood Industry Specific Skills Test No.1 (Indonesia Venue)

## Examination Guide

### Test Overview

---

1 Examination format, number of questions and duration, etc.

- Method : Paper test method
- Test language : Japanese (all kanji with furigana)
- Examination time : 60 min.
- Number of questions: 35 total
  - ① (1) Theoretical exam (32 questions) ... The format of the examination is the true-false method (O-X type).
  - ② The practical test (3 questions) will be conducted using a “judgment test” in which the examinee is required to make correct judgments and decisions in a set of situations using diagrams, etc.

### 2 Test Scope and Sample Questions

The scope of the exam is as follows

\*Please note that we cannot respond to individual inquiries regarding the content of the exam.

	Main Topics	Sub-topics (example)
Theoretical exam (General) Score : 56 pts	Overview of Forestry and lumber industries	Forestry/forestry/wood use
	Wood Properties	Tree species/moisture content/logs/annual rings/grain
	Work Safety	Workplace Accidents/Safety Inspections/Protective Equipment
Theoretical exam (Specialized) Score : 18 pts	Manufacturing operation of each product	Lumber / Laminated wood / Plywood, LVL / Chip / Flooring / Veneer / Pre-cut
	Machines and equipment used	
	Using each product	
Practical test Score: 26 points	Work procedures/health and safety/calculation problems	

\* Sample questions (10 in the theoretical and 2 in practical) are on pages 6-10

### 3 Pass/Fail Criteria

At least 65% of the total score of the academic and practical examinations

### 4 Method of Notification of Pass/Fail

The examination numbers of successful applicants will be posted on the National Timber Assoc. website within one month after the examination.

### 5 Examination Fees, etc.

Examination fee for out-of-country test (Indonesia): 350,000 IDR

#### 【Points of concern】

- Transfer fees shall be paid by the applicant.
- Once the examination fee has been paid, it is non-refundable except in cases where the examination cannot be held due to natural disasters, etc.

### 6 Examination Information

Dates: Wednesday, February 19 and Thursday, February 20, 2025

Venue: Semarang Furniture and Wood Processing Industry Polytechnic (PIFPK)

Size: 30 persons x 4 sessions ((1) 2/19 from 12:00, (2) 2/19 from 16:00, (3) 2/20 from 9:00, (4) 2/20 from 12:00)

Application period: January 20 to February 7, 2025

\* The start time may be subject to change depending on the circumstances of the venue and other factors.

### 7 Application Procedures

#### 【Qualifications to take the exam】

- Indonesian nationals must be at least 18 years of age on the date of the examination (other nationals must be at least 17 years of age).
- no academic background required

#### 【Application Method】

- Please send the completed examination application form (form) by e-mail to the following address within the application period.

(Application address) Semarang Furniture and Woodworking Industry Polytechnic (PIFPK)

E-mail : [ssw\\_perkayuan@poltek-furnitur.ac.id](mailto:ssw_perkayuan@poltek-furnitur.ac.id)

- Candidates must attach a copy of their ID card (KTP) (a photograph is acceptable; if you do not have an ID card (KTP), a copy of your passport) to the application form.
- After reviewing the application form, the Polytechnic of Furniture and Wood Processing of Semarang (PIFPK) will inform the applicant of the payment method and deadline for payment of the examination fee. Once PIFPK confirms receipt of the payment, the application for the examination will be accepted.
- If your application is accepted, the test administration organization in Japan will send your examination voucher to the contact e-mail address you registered at the time of application by the day of the examination.
- A portion of the personal information provided at the time of application and the results of the examination may be provided to a third party upon request from the host government agency.

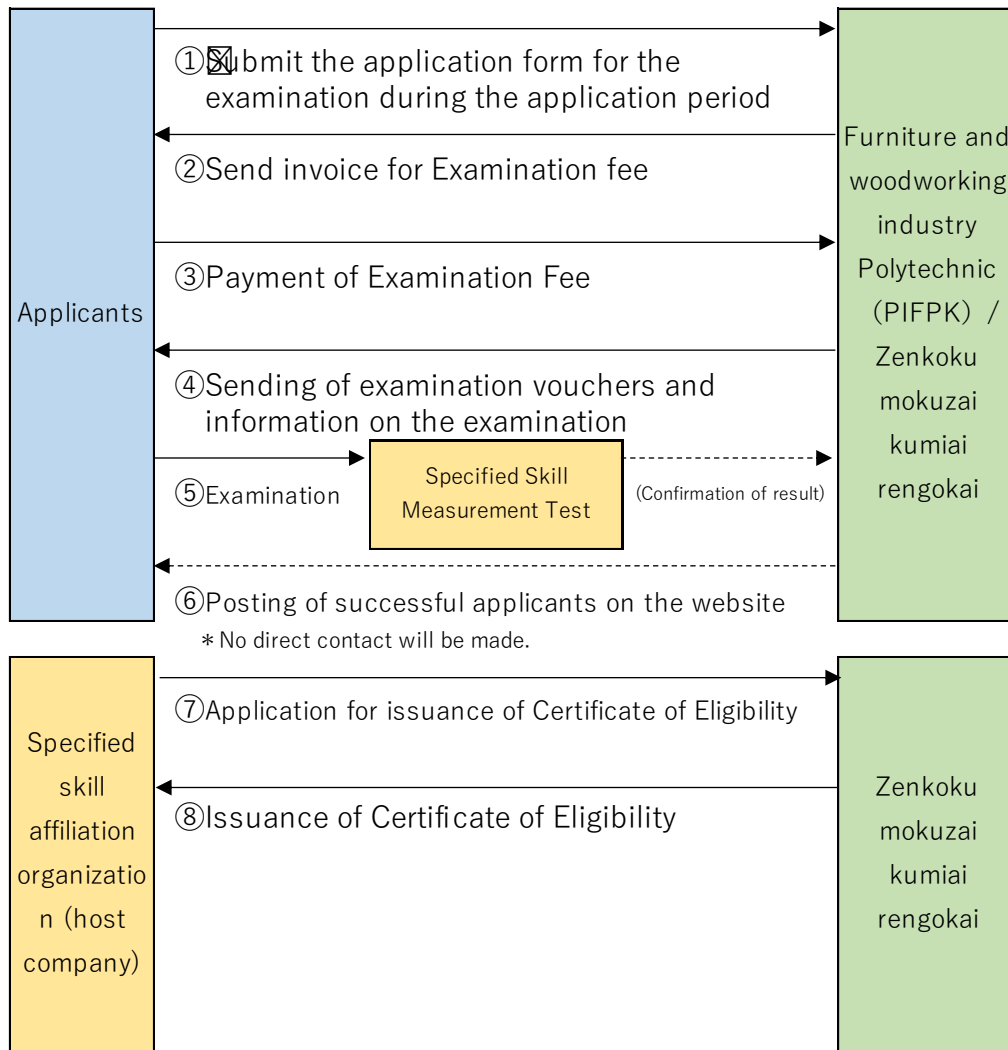

**【Points of Concern】**

- Japanese nationals are not eligible to take the examination.
- It is not possible to take more than one examination held at the same venue.
- When the number of applicants reaches the maximum number, we may stop accepting applications for the examination even during the period.
- Even if a person is able to pass the examination, it does not guarantee that he/she will be granted the status of residence of “Specified Skilled Worker” . In addition, even if an application for a certificate of eligibility or permission for change of status of residence is filed for a person who has passed the examination, it does not necessarily mean that a certificate of eligibility or permission for change of status of residence will be granted.

# Exam Application

## 1 Flowchart of Exam Application Procedures

Please follow the steps below to complete the application process for the examination.

## 2 Submission of Exam Application Forms, etc.

Candidates must submit to PIFPK the “Application for the Wood Industry Sector Specific Skills Measurement Examination” via email.

Please fill out the application form, attach a picture of your face and send a copy of your ID card (KTP) as well.

### 3 Payment of Examination Fees

Candidates are required to transfer the examination fee to the designated bank account in accordance with the invoice sent by PIFPK.

In the event of cancellation after payment has been made, the examination fee will not be refunded, except in the following cases:

① when there are reasons attributable to the test administration organization, or ② when the test cannot be administered due to a natural disaster (except when an alternative test is administered).

(Examination Fee)

350,000 IDR \*The bank transfer fee is to be paid by the candidate.

### 4 Sending of examination voucher and information

The application for the examination will be accepted upon confirmation of payment of the examination fee. After that, an examination voucher will be sent to you by e-mail approximately two weeks prior to the examination date.

If you do not receive it a week in advance, please contact PIFPK.

### 5 Notification of Test Result

The examination numbers of successful applicants will be posted on the website of *Zenkoku mokuzai kumiai rengokai* within one month after the examination. (\*No notification will be sent to the examinees by e-mail, etc.)
